8.1 **HEALTH INSURANCE**

8.1.1 **PLAN COVERAGE**

The School Board will provide all full-time unit employees with single, two-person or family health insurance with coverage through the NH Health Trust with the following plans being offered effective July 1, 2016:

Access Blue New England HMO
AB20-RX 10/20/45

8.1.2 **PREMIUMS**

Access Blue New England HMO (AB 20 RX 10/20/45)

Effective July 1, 2016, the District shall contribute 85% of the cost of this premium for all employees who elect this coverage.

Equivalent Coverage

If either the District or the Federation elects to consider the pursuit of potentially equivalent health insurance services or providers as an alternative to the plans identified in this agreement, then there shall be formed a joint six-member labor-management advisory committee, consisting of three (3) members chosen by District administration and three (3) members chosen by the Federation. The purpose of the committee shall be to monitor the process of investigating, identifying and soliciting information and proposals from potentially equivalent alternate plan(s).

If the District then elects to pursue alternate equivalent health insurance services or providers, the alternate plan(s) will first be presented in writing to the Federation for its determination as to the equivalence of such plan(s). Within 30 days of having received the alternate plan(s), the Federation shall respond in writing, as to each such plan, with (a) a statement that the plan is considered equivalent; (b) a statement that the plan is not considered equivalent, with an identification of the specific respects in which the plan is not considered equivalent; or (c) specific questions whose answers are reasonably necessary to a determination of equivalence. If the Federation has not so responded as to any particular plan within 45 days, such plan shall be deemed equivalent. If the Federation has so responded by providing the District with a statement of non-equivalence or by raising specific questions bearing on equivalence, the District shall then have 30 days to provide the Federation, in writing, with changes to the alternate plan(s) so as to address the Federation's issues of non-equivalence or (as the case may be) with specific answers to the Federation's questions. The Federation shall then have 10 days to provide the District, in writing, with the Federation's final decision on equivalence; provided, however, that the Federation may not unreasonably decide against equivalence if the District has addressed the Federation's specific concerns or questions and has thereby demonstrated equivalence. If at the conclusion of this process there is no agreement on equivalence, the District shall not implement a plan claimed by it to be equivalent unless and until the District has received a favorable decision in final and binding arbitration on the issue of equivalence.

8.9 **ACA REOPENING LANGUAGE**

The parties agree that under no circumstances shall the District be compelled to maintain any insurance plan that subjects it to liability under any so-called "Cadillac tax." Upon any material change to the Affordable Care Act (ACA), or to any rules or regulations promulgated pursuant to it, as they may be amended, or upon a reasonable concern that the application of the ACA or its rules and regulations will result in the imposition of a penalty, fine, tax or material adverse financial impact to the District or the employees, either party may reopen bargaining, limited to identifying and adopting a health insurance plan that avoids such adverse financial consequences, and review the cost and impact of such change or adverse impact by providing a ninety (90) day written notice to the other party.

Specifically, the parties agree to exchange proposals limited to identifying and implementing a health insurance plan or plans and related premium and deductible sharing arrangements that complies with the Affordable Care Act and that shall avoid the imposition of any so-called "Cadillac tax" or insurance excise tax, no later than one-hundred (120) days before such ACA provision goes into effect. If the parties are not able to agree on one of the two proposed plan(s), the plans will be submitted to binding arbitration with a mutually acceptable arbitrator at least ninety (90) days before the implementation of any "Cadillac tax" or excise tax under the ACA. In the event the parties cannot agree on an arbitrator, one will be selected in accordance with American Arbitration Association (AAA) provisions, by the AAA and from the AAA list of qualified arbitrators. After hearing from both parties and reviewing both proposals, the arbitrator will choose one of the two proposals [which may include coverage under one or more health insurance plans] that shall avoid any so-called "Cadillac tax" or insurance excise tax. If the Union fails or refuses to participate in this process, the District will be permitted to unilaterally implement its proposed plan to avoid imposition of the so-called "Cadillac tax."

REDUCTION IN FORCE POLICY

The Hillsboro-Deering School Board, pursuant to its rule-making and legislative authority, and in order to promote the best educational and academic environment for the students and the program for the Hillsboro-Deering School District, adopts the following guidelines and policy in connection with Reduction in Force.

A. Policy

In the event, in the sole discretion of the School Board of the Hillsboro-Deering School District, it shall be necessary because of reduced enrollment, reassignment of personnel or students, curtailment of economic resources or funds, change or consolidation of Board-authorized programs, or for any other reason, to reduce the number of persons employed by the School District of Hillsboro-Deering in its educational programs, the following criteria shall be considered by the School Board in making a determination of non-renewal:

1. The Board shall first consider the needs of the students for the most efficient and productive staff person.
2. The Board will consider its long-standing policy to support, encourage and promote excellence whenever excellence may be established or determined.
3. The Board will consider the respective evaluations of all staff and with the intent to utilize these evaluations to determine the most appropriate staff persons to be retained by the School District.
4. The Board will consider recommendations from administrators on the School Administrative Unit level as to personnel who will most probably carry out the aims and objectives of the District in the educational program and promote the highest degree of learning and academic achievement among the students of the Hillsboro-Deering School District.
5. The Board will consider the contributions made by the respective staff persons to the growth of the educational program in the Hillsboro-Deering School District and the potential ability of the staff person to continue to promote said growth.
6. The Board will consider the overall contribution of respective persons to the total educational programs, extracurricular activities, student welfare, student programs and relationship with the parents and the community.

In the event and only in said event, that the Board is unable to determine, based on the above criteria, which staff person should be retained within the Hillsboro-Deering School District, then the School Board may consider the seniority of respective staff persons.

8. Except in the case of requirement to consider seniority as set forth in the immediately preceding paragraph, in all other cases the criteria for consideration by the School Board in evaluating a staff person shall be the best interest of the children of the Hillsboro-Deering School District.

B. Procedure

1. As soon as a reduction in force is seriously contemplated, the Superintendent of Schools shall notify all of the teachers who may be affected.

2. The School Board will accept any written presentation regarding the reduction in force from teachers' unions, individual teachers or the public.
3. The School Board will make every reasonable effort to minimize the effects of reduction in force on the current staff by absorbing as many as possible through attrition (retirements, resignations, and refusal to contract).
4. Specifically, the School Board does not condone "bumping". The best teachers shall be retained, regardless of whether the teacher is probationary or not.
A teacher with more than three years of employment in the school district shall not have the right to displace another teacher with fewer than three years of service in the School District.
5. There will be no recall rights for terminated employees. However, the school administration shall consider the applications of terminated employees for such positions which may become available in subsequent years provided that said terminated employees submit a reasonable and timely application at the time the position becomes vacant. A previously employed teacher who returns to a teaching position within a three-year period shall resume employment by the School District at no less than the step occupied when the teaching position previously held was terminated.
6. The decision to implement the reduction in force shall be made at the sole discretion of the School Board.

C. Effective Date

This policy shall be effective upon its vote of the Hillsboro-Deering School Board and distribution to staff.

HILLSBORO-DEERING SCHOOL BOARD AND FEDERATION OF TEACHERS

Sick Leave Bank

The Hillsboro-Deering Sick Leave Bank is created as an additional income protection for staff who have exceeded their personal accumulated sick leave benefit due to either an illness or an accident.

All members of the Hillsboro-Deering Federation of Teachers, as defined in Article II of the Master Contract, and employed for at least one year in the District, are eligible to participate in the Sick Leave Bank. Any staff electing to participate shall indicate their choice, in writing, within 30 days of the annual contract renewal issuance date. The 30-day election period would begin with the receipt of the contract and end exactly 30 consecutive days later. Subsequent entry into the Sick Leave Bank may occur on an annual basis with the offering of a new school year's contract. The individual staff member has the responsibility to enroll in the Bank on a timely basis. No response is to be considered a "not to join" decision.

The Sick Leave Bank is to be used for workdays lost during the contracted work year (currently 190 days). Upon incurring loss of work due to an accident or illness, an individual may request to withdraw days from the Sick Leave Bank. A maximum of forty (40) days may be withdrawn from the Sick Leave Bank per year, per individual member.

Initial membership into the Sick Leave Bank will require a personal contribution of 2 sick days. All contributions are non-refundable and may come from the individual's accumulated sick leave balance or from the current year's advanced sick leave provided that in the event any teacher leaves the employ of the District having contributed sick leave that was not earned, at the date of termination, the teacher agrees to reimburse the District the value of said unearned days in accordance to Article VIII of the Master Contract.

The maximum number of days in the Sick Leave Bank will be two times the eligible membership of the Bank. On a quarterly basis, to coincide with the beginning of the District's marking periods, the Sick Leave Bank's total will be examined. A replenishment call may be issued to increase the Sick Leave Bank's total balance to meet anticipated withdrawals. Each enrolled member will be asked to contribute 1 additional sick leave day into the Bank within 30 days from the date of the replenishment call.

At the time of the replenishment call, each enrolled member must contribute 1 additional day to remain a member of the bank. Staff who do not have sufficient sick leave days in either their accumulated sick leave balance or in their present yearly advanced sick leave may agree to contribute 1 day as a credit. The credit will be charged against the individual's next school year's advanced sick leave or, in the case of non-returning staff, the credit will be treated as a sick leave day used but not earned in accordance with Article VIII of the Master Contract.

The call for replenishment will be issued to all enrolled, active members. Any member who is currently drawing from the Bank will be expected to contribute 1 day to maintain continued membership. Their contribution shall be issued as a credit towards the individual's next school year's advanced sick leave. Members who are on official leave of absence from school duty will be considered inactive and not required to contribute to any call for replenishment, which occurs during their leave of absence. Upon their return to the District, their status will change from inactive to active.

A Sick Leave Bank Committee will be formed to oversee the operation and maintenance of the Sick Leave Bank. The Committee will have responsibility to issue a call for replenishment based on their judgment of anticipated need and current bank balance. Only a single day will be requested and the maximum total cannot exceed two times the enrolled members. The Committee will consist of four (4) members. Three members shall be annually selected by the Hillsboro-Deering Federation of Teachers; 1 member from the Elementary School Staff, 1 member from the Middle School Staff, and 1 member from the High School Staff. The fourth member will be assigned by the Superintendent to represent the SAU.

The Sick Leave Bank Committee will have the responsibility:

- to issue a replenishment call;
- to review all requests for withdrawals;
- to make inquiries into the nature and length of disability;
- to set the effective date of Sick Leave Bank use;
- to render approval or rejection of the request; and
- to manage and maintain the Sick Leave Bank records.

An active member shall forward a written request for Sick Leave Bank use to the Sick Leave Bank Committee as soon as the employee is aware of their need and at least 5 days in advance of the intended use. The request should include the anticipated date of use, estimated length of disability, personal sick days available for use and balance of disability leave being requested from the Bank. A written Doctor's note must accompany the member's written request.

In all cases, the decision rendered by the Sick Leave Bank Committee shall be final and binding and not subject to appeal or grievance.

Annually, at the end of the School Year, the Sick Leave Bank Committee shall make a written report to both the Hillsboro-Deering Federation of Teachers and the Hillsboro-Deering School Board on the status and usage's of the Bank including the number of enrolled members, days in the Bank, the number of individual requests, the days requested from the Bank and actual days used.

MEMORANDUM OF UNDERSTANDING

Whereas the Hillsboro-Deering Federation of Teachers, AFT#2348, AFT-NH, AFL-CIO and the Hillsboro-Deering School District recognize the need to advertise for vacant positions for the upcoming school year as soon as possible in the spring;

Whereas the current contract language contained in Article 8.7 provides for an Early Retirement Incentive Stipend;

8.7 EARLY RETIREMENT INCENTIVE STIPEND

Upon voluntary separation from the District with twenty (20) years or more of district service (including any and all time served in any schools that are in the district) the staff member shall receive a one-time payment.

The amount of the separation payment shall be determined as follows:

1% of salary x number of years in district PLUS 1/2 per diem x number of unused sick days up to a maximum of 118 days

In order to receive payment on July 1st of the following calendar year, the staff member must provide notice to the District no later than December 1st in the school year in which the separation occurs. In the event of a catastrophic unforeseen event such as a medical condition, the notice requirement would be waived.

Whereas the language is silent on the date by which the notice of intent becomes irrevocable;

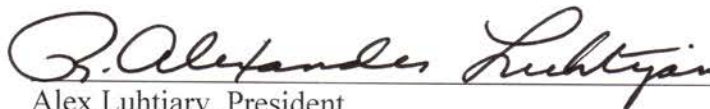

Whereas the past practice is mixed at best on this provision of the contract;

Whereas the parties have consulted extensively regarding the interpretation of this contract provision;

Whereas it would benefit the district to have a date certain by which a teacher could not rescind the notice of intent in order to provide ample time to make decisions regarding staffing for the subsequent school year and to advertise as may be necessary;

Therefore, the parties, the Hillsboro-Deering Federation of Teachers, AFT#2348, AFT-NH, AFL-CIO, AFT-NH, AFL-CIO and the Hillsboro-Deering School District mutually agree that the notice of intent to retire filed by the teacher shall be irrevocable after March 15th. This date may be waived in the event of a catastrophic unforeseen event such as a medical condition.

The parties further agree that this Memorandum of Understanding shall remain in full force and effect for the duration of the contract or until a successor agreement is effective.
