However, the parties recognize that the School District reserves the right to initiate discipline at any step of the process based upon the severity and frequency of the misconduct or deficiency in performance. ## 6.2 Evaluation Committee

A committee comprised of three members appointed by the Federation President and three members appointed by the School Board will review and may recommend changes to the procedures used in the evaluation of employee job performance. The committee's recommendations will not be binding on the Federation or the School District.

## **ARTICLE 7** **CONSULTATION AND GRIEVANCE PROCEDURES**

### **Section 1: Purpose of the Grievance Procedure**

- 7.1.1 It is the intent of the parties that grievances be settled at the lowest step possible. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 7.1.2 A grievance is a complaint by an employee, group of employees or the Federation that there has been a violation or a misinterpretation of the terms of this Agreement. Neither discharge of probationary employees during the school year, nor non-renewal of any employees at the end of the school year, nor matters listed in Section 16.1 unless otherwise specifically cited in the contract shall be subject to the grievance procedure.

### **Section 2: Statement of Grievance**

- 7.2.1 Each formal statement of a grievance must contain the question(s) at issue, a statement of facts, or the section(s) of this Agreement which allegedly is (are) being violated, the relief requested, the name of the authorized Federation Representative, and the signature of the aggrieved party(s).
- 7.2.2 As used herein, "days" shall mean school days. Saturdays, Sundays, school vacations, and holidays are excluded in calculating school days, except during the summer break period, when "days" shall mean Monday through Friday, excluding holidays.

### **Section 3: Grievance Procedure**

- 7.3.1 Step One- Principal/Food Service Director Level (informal)  
An employee may informally discuss a grievance with the supervisor within ten (10) school days after the employee knew or should have known of the act or condition upon which the complaint is based. Failure to reach a mutually satisfactory resolution may be cause for the employee to refer the grievance to Step Two. An employee is entitled to be accompanied by a Federation representative upon the request of the employee. 'Supervisor' for purposes of the grievance procedure shall be the food service director for food service employees and the principal for other employees.

7.3.2 Step Two- Principal/Food Service Director Level (formal written)

An employee or the Federation wishing to process a grievance at Step Two will do so in writing to the supervisor within five (5) school days from the conclusion of discussions at Step One, or in the case of the Federation within fifteen (15) school days after the grievant knew or should have known of this act or condition which is the basis of the complaint. The grievance shall be specific in nature and shall state the remedy requested. The supervisor shall establish a formal conference on the matter and whenever a grievance is filed by an employee without the Federation, the supervisor shall notify the Federation and shall give the Federation the opportunity to be present and to state the views of the Federation. The aggrieved employee and the Federation shall be given at least two (2) school days notice of said conference.

The supervisor shall respond in writing ten (10) school days from the date the formal grievance is filed. The supervisor's decision shall be presented in writing to both the employee and the Federation. 'Supervisor' for purposes of the grievance procedure shall be the food service director for food service employees and the principal for other employees.

7.3.3 Step Three - Superintendent Level

If a settlement is not reached at Step Two, the employee or the Federation may present the grievance to the Superintendent of Schools within five (5) school days after the decision has been rendered at Step Two. The grievance must be submitted in writing stating the specific nature of the grievance and the remedy requested and shall include a copy of the Step Two decision. The Superintendent may schedule a meeting at a mutually convenient time to discuss the grievance with the employee and the Federation. Both parties reserve the right to include consultants in any such meeting. The Superintendent shall respond in writing together with supporting reasons to the employee, Federation and principal within ten (10) school days from the date the grievance is filed at Step Three.

7.3.4 Step Four- School Board Level

If a grievance remains unsettled after having been processed through Step Three, the employee or the Federation may, within five (5) school days from the date the decision is rendered at the previous step, submit the grievance to the School Board. In which case, the grievance is to be submitted in writing and shall specify the nature of the complaint and the remedy requested. Copies of the previous decisions are to be included with the grievance. Within five (5) school days from the date the grievance is filed at Step Four, the School Board will establish a mutually convenient date and time for a meeting to discuss the matter. This meeting shall occur no later than twenty (20) days from the date the grievance is filed at Step 4, unless otherwise mutually agreed to by the Board and the Federation. Both parties reserve the right to include consultants in any such meeting. The Board shall render its decision in writing together with supporting reasons to employee, Federation, Principal and Superintendent's Office within fifteen (15) days from the date of the meeting in which the grievance is discussed.

### 7.3.5 Additional Provisions

- a. A Federation Representative may be present at any grievance meeting with the exception of Step One unless requested by the employee.
- b. The time limits in this article may be reduced or extended by mutual agreement.
- c. Failure to refer a grievance to the next step within the specified time shall be considered an acceptance by the employee of the decision rendered.
- d. Failure at any level of the grievance procedure to render a decision within the specified time limits shall permit the employee or the Federation to proceed to the next level.

### 7.3.6 Arbitration

1. Any grievance which remains unsettled after having been fully processed pursuant to the provisions of the Grievance Procedure as stated herein, relating to the interpretation or application of a provision of this Agreement, may be submitted to arbitration upon written request of either the Federation or the School Board.

The proceeding may be initiated by filing with the School Board and the American Arbitration Association a request for arbitration within ten (10) school days after the final decision of the Board has been given to the Federation.

2. A request for arbitration shall state in reasonable detail the specific nature of the dispute and the remedy requested. The dispute as stated in the request for arbitration shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties mutually agree to modify the scope of the hearing. Only one request shall be scheduled for the same arbitration hearing except by mutual Agreement of the parties.
3. In any arbitration case, a fundamental principle shall be that the Board retains the exclusive right to manage its affairs, including (but not limited to) the right to determine the means and methods of operation to be carried on, to direct its employees, and to conduct District operations in a safe and most efficient manner, subject to the limits stated in this Agreement. The parties agree that only grievances with specific reference to the Agreement shall be processed to arbitration.
4. In the selection of an arbitrator and in the conduct of an arbitration hearing, the applicable provisions of the Labor Arbitration Rules of the American Arbitration Association shall apply, including the right of either party to be represented by counsel or other authorized representative.

5. The arbitrator shall issue his/her decision not later than thirty (30) days from the date of the close of the hearing, or, if oral closing arguments have been waived, then no later than as provided under AAA rules, following the transmittal of the final statements and written arguments to the arbitrator. The decisions shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue submitted. The decision of the arbitrator shall be final and binding. Both parties agree that the arbitrator's decision represents a precedent for substantially similar situations.
6. Both parties agree that the arbitrator be prohibited from modifying or adding to this Agreement.
7. The cost of the arbitrator shall be shared equally by the parties to the dispute.
8. The parties' agreement to arbitrate, as set forth herein, is subject to the provisions of RSA 542.

#### **ARTICLE 8** **PROBATIONARY PERIOD**

- 8.1 The first ninety (90) school days of regular employment on an uninterrupted basis shall be the probationary period.
- 8.2 The probationary period shall be considered an integral part of the process of employment for employees and shall provide the administrator with the opportunity to observe the new employee's work, train and assist the new employee in adjustment to the position and for removal if an employee fails to meet the required work standards.
- 8.3 The District may terminate a newly hired person from employment within the probationary period. Terminations under this Article shall not be grievable.
- 8.4 A probationary employee who is transferred or promoted to a different position within the original probationary period, shall not have the time worked in the prior position counted toward the accumulation of the required time of the probationary period.

#### **ARTICLE 9** **SENIORITY**

- 9.1 An employee's seniority date shall be the last date the employee entered the District in a bargaining unit position. The seniority date shall be adjusted for uncompensated absences.

**9.2 Layoff**

In the event of a reduction-in-force, the District shall choose employees for layoff within each job classification based upon assessment of the employee's ability, qualifications, experience and performance. If all these factors are equal in the judgment of the Superintendent of Schools or his/her designee, seniority will be the determining factor.

**9.3 Recall**

In the event that employees who were laid off are to be recalled, recall shall be in reverse order of layoff within the job classification from which the employees were laid off. As a condition precedent to being recalled under this provision, any laid off employee shall maintain current and accurate contact information with the SAU office (i.e., home address, phone number and e-mail address). Failure to do so shall constitute a waiver of recall rights. The right to recall shall terminate 15 months following the last date of work.

**9.4 Retention of Seniority**

An employee who is a member of the bargaining unit and who is laid off and recalled within 15 months of the date of layoff shall regain the seniority he/she had before he/she was laid off.

**9.5 Probation and Seniority**

Employees who successfully complete their probationary period shall have their seniority status retroactive to their first date of work.

**ARTICLE 10**  
**VACANCIES, TRANSFERS, AND ASSIGNMENTS**

10.1 Employees shall be provided with an intent to re-employ form on or before June 1<sup>st</sup> of the preceding school year. (See Appendix A).

10.2 Notice of any bargaining unit vacancies (including newly created positions) shall be posted on the official Union bulletin board at each work location and in the main office of each school for at least five (5) business days prior to filling the position. During the months of July and August, all vacancies shall be posted at the main lobby of the SAU office. The posting shall state the specific position to be filled, hours of work, qualifications, starting date, and other relevant information. Employees who are interested in being assigned to another position shall direct their application to Human Resources or to the individual identified in the job posting.

The District will fill vacant positions based upon assessment of the ability, qualifications and experience of current employee applicants and non-employee applicants. Current employee applicants who meet the minimum qualifications and experience for the position will be interviewed as part of the selection process. If all these factors are equal in the judgment of the Superintendent of Schools or his/her designee, the District will fill the vacancy with the current employee applicant who has the most seniority in the bargaining unit.

- 10.3 Any involuntary reassignment or transfer shall be made only after a meeting between the employee(s) involved and the Superintendent (and/or his/her designee), at which time the employee(s) shall be notified of the reasons for the reassignment or transfer.
- 10.4 A vacant position in Food Service may not be filled by substitutes for more than (30) work-days per vacancy, unless the substitution is replacing an employee on medical leave. If the District is unable to meet this deadline, it will notify the Federation President.

## **ARTICLE 11**

### **WAGES AND HOURS**

#### **Section 1:**

##### **11.1.1 Work Day**

The work day and work schedule for members of the bargaining unit shall be as assigned by the School District.

For food service workers (not managers, assistant managers and cooks), the assignment of additional hours beyond the food service worker's normally scheduled workday shall be made available on a rotating basis among the food service workers who are assigned to the same work location.

##### **11.1.2 Work Year**

The work year shall be 185 days for non-preschool para-educators and part-time licensed practical nurses and 182 days for food service managers and 182 days for other food service personnel. Para-educators shall be provided with two (2) full professional development days in which para-educator workshops and seminars are provided.

The District shall define the work year for preschool para-educators in accordance with the needs of the program. It is understood that for food service personnel employed at Alvirne High School their standard work year will be less than the 182 days to reflect days not worked due to exams and other days when meals are not served at the high school unless they volunteer to substitute at other schools. The number of days worked by the Alvirne food service staff shall not affect their status under this contract as it

relates to benefits or other conditions of employment and they shall be treated as if they had a regular work schedule of at least 182 days.

- 11.1.3 Breaks and lunch shall be provided in accordance with law; however, employees currently receiving paid lunch will continue to do so. All Food Service personnel regularly scheduled to work 6 hours or more per day shall receive paid thirty (30) minute lunch. For those employees regularly scheduled to work 6 hours a day, this shall result in a six and a half (6 ½) hour work day.

Employees who cover for an employee who receives the paid half hour lunch shall receive a paid half hour lunch on those days when they are providing such coverage.

- 11.1.4 The effective date of the annual wage increase and/or increment, if applicable, for all employees shall be the start of the school year. An employee who works at least half the work year set forth in 11.1.2 shall be credited with one year of service.

- 11.1.5 Mileage reimbursement shall be made for employees who are required to use their private vehicles for district business. The mileage rate reimbursement shall be the rate established by the Internal Revenue Service.

11.1.6 **METHOD OF PAYMENT**

Employees, at their option, shall be paid in one of the following manners:

- (a) Anticipated annual wages, divided by 26, which equals 25 bi-weekly checks, and one reconciliation payment. It is understood that present practice is to combine the final five bi-weekly paychecks into one "balloon" payment that is issued before the end of the fiscal year (June 30).
- (b) Anticipated annual wages, divided by 21, which equals 20 bi-weekly checks plus one reconciliation payment, or
- (c) Full pay for hours actually worked in a pay period, paid at regular intervals not to exceed 14 days.

Reconciliation payments under options (a) and (b), above, may result in a paycheck of less than the equal pay amount, to a possible zero balance, being due to the employee. Employees must specify their choice in writing prior to the first payroll period on a form provided by the School District. If employees fail to specify their choice, they shall be paid as is described in paragraph (a), above. A reconciliation payment shall be calculated as a final payment for any employee being paid on an equal pay basis who, for whatever reason, leaves employment before the end of the contract year.

All hours worked beyond the employees regularly scheduled work week, shall be compensated at employees regular rate of pay, except hours worked in excess of 40 hours shall be compensated at the rate of time and one-half of the employee's regular rate of pay.

- 11.1.7 Wages for para-educators and part-time licensed practical nurses are set forth in Appendix B. Wages for Food Service employees are set forth in Appendix C.
- 11.1.8 The parties agree that food service employees who are authorized in writing to work in a higher paying position for a period of five (5) consecutive days or more shall be compensated in accordance with the higher rate of pay for the position they are assuming retroactive to the first day of work in said position.
- 11.1.9 **Holidays**  
Employees shall receive two additional days of pay, based upon the employee's regular rate daily rate, for Christmas Day and Thanksgiving Day.
- 11.1.10 **Para-educator II Certification**  
Those employees who have achieved a para-educator II certification, shall be paid an additional \$500.00 in their annual wage as reflected in the Para II salary track. For those employees who obtain their para-educator II certification during the course of the school year, the \$500.00 bonus will be paid on a pro-rated basis for the remainder of that school year.
- 11.1.11 Employees holding the credential of Registered Behavior Technician (RBT) shall be paid an additional \$0.25 per hour.<sup>1</sup> Employees attaining the RBT credential must notify the Human Resources Department as a condition precedent for this wage adjustment to be effective. Failure to maintain the credential shall result in loss of the \$0.25 adjustment in pay. This provision shall expire as of June 30, 2022 and shall not be subject to the status quo doctrine.

## **Section 2: Cleaning of District Property**

- 11.2.1 Cafeteria personnel shall not be required to take home and wash school property.

## **Section 3: Uniform Reimbursements**

- 11.3.1 If the District requires uniforms and/or aprons, the District shall be responsible for providing said items.

## **Section 4: Professional Development**

- 11.4.1 One Para-educator and one food service employee may serve as members on the School District's professional development committee. These members shall be appointed by the Hudson PSRP President.

---

<sup>1</sup> It is understood that such credentialing is issued per the Behavior Analysis Certification Board (BACB) after 40 hours of training, and passing of the RBT competency assessment and RBT exam. RBT's are also required to annually pass the RBT Competency Assessment and complete a renewal, as determined by the BACB.

11.4.2 Professional development opportunities for bargaining unit staff shall be scheduled as part of the annual school district calendar. In the event the time for training does not coincide with the regularly scheduled workday, employees shall be notified at least two weeks in advance.

### **Section 5: Extra Duties of Para-Educators**

11.5.1. Para-educators shall be allowed to perform extra “non-instructional” paid duties, such as chaperoning, lunch duty and bus duty, on a strictly voluntary basis.

11.5.2 Extra duties are defined as a separate responsibility and are not included within regular para-educator job functions.

11.5.3 Extra duties shall be assigned on a first come, first serve basis and shall be made available to all para-educators.

11.5.4 The regularly scheduled work day for para-educators shall not be interrupted or altered in order to allow for the performance of extra duties. Therefore, extra duties may only be performed outside the regularly scheduled para-educator work day (i.e., before or after school, or during unpaid lunch time).

11.5.5 As reference above, work performed as “extra duties” is a separate function from that provided by para-educators. Accordingly, the combination of extra duty and para-educator work shall not constitute full-time employment.

11.5.6 Rates of pay for specific extra duties are set per district policy, collective bargaining agreement or district school, as applicable. Para-educators shall not be paid less than others performing the same duties.

11.5.7 Generally, para-educators shall not be assigned tutoring as an “extra duty.” In the event it becomes necessary to make such an assignment available to para-educators, the first option shall be to those para-educators who are certified as a teacher. Alternatively, if no para-educator who is certified as a teacher is either available or volunteers, the assignment may be offered to those employees who are certified as a Para-Educator II.

**ARTICLE 12**  
**SICK/PERSONAL LEAVES**

**Section 1: Sick Leave**

- 12.1.1 All full time employees covered by this agreement shall receive 10 sick days per year, cumulative to a maximum of 50 days commencing with date of hire.

Sick leave is to be used for sickness, disability and emergency. Payment of meals and/or mileage shall not be considered as part of the fee for purpose of this Agreement.

### **Section 3: Military Service**

During military leave the employee will receive his/her rate of pay less the amount of compensation, including allowances, received from the military for up to two (2) weeks per year. Upon return from military leave, the rate of pay and other benefits will be the same as if the employee had worked continuously with the District in the assignment held when the period of military leave commenced.
- (b) Qualifying Exigency Leave: In the event that a member of the employee's immediate household is called to covered active duty, such as a short notice deployment (i.e., deployment within seven or less days of notice), the employee will be granted time off to address necessary family matters in accordance with the Family and Medical Leave Act (FMLA).
- 13.3.2 Reserve Duty: When an employee who, as a member of one of the reserve components of the Armed Forces, is required to meet his/her annual two week obligation, the employee will be granted military leave. - 13.3.3 Notice of leave request: Any employee needing time away from work for service or training in the military must make the superintendent aware of the need for leave as soon as written or verbal orders from the military are received. Such notice will be in writing and shall provide all pertinent information such as first day on leave and the anticipated return to work date. If an employee is seeking military leave for reserve training during the school year, s/he shall provide verification that such training could not otherwise occur during the summer recess period when school is not in session.
- 13.3.4 Reinstatement to work: As soon as an employee on active duty has a return to work date, s/he must notify the superintendent in writing. The District will reinstate the employee promptly in accordance with applicable law. Employees seeking reinstatement may be asked to provide documentation of the timeliness of the reinstatement request and/or the total time spent in active service (i.e., for periods of service of 181 days or more, application for reemployment must occur within 90 days of release from duty).
- 13.3.5 Disabled service members: If a returning employee was disabled or a disability was aggravated during uniformed service, the District will make reasonable accommodations and efforts to help the employee perform the duties of his/her reemployment position.

INSURANCE**

**Section 1: Medical Insurance**

14.1.1 For full-time employees the School District shall pay the following percentages of the annual premium for single-person, two-person, or family coverage under the Cigna SchoolCare Choice Fund Open Access Plus – Yellow Plan, Cigna SchoolCare Open Access Plus – Yellow Plan, or comparable plan chosen by the School District:

	<u>2018-22</u>
District	92%
Member	8%

Part-time employees may participate in single, two-person or family coverage under the plan referenced above at their own expense, provided the carrier permits it.

14.1.2 If a full-time unit member is married to another District employee, they shall take the coverage or combination of coverages whose premium(s) is least costly<sup>2</sup> and pay the percentage of the premium under the terms of the collective bargaining agreement applicable to the employees. In the event the married District employees are members of separate bargaining units, the employees shall select the agreement under which the premium percentage shall be determined.

14.1.3 Starting January 1, 2020, a high cost plan adjustment, if triggered under the Affordable Care Act, shall be applied as follows to the costs of the District and the full-time employee: The adjustment for high cost plan shall equal 40% of the excess of the plan's cost over \$850 per month (\$10,200 per year) for single coverage or over \$2,291.66 per month (\$27,500 per year) for two-person or family coverage.<sup>3</sup> The employee shall be responsible for the first \$100.00 for a single coverage plan and the first \$200.00 for a

---

<sup>2</sup> Example: Assume two employees of the District are married to each other, they take medical insurance coverage offered by the District, and they cover a child as well as themselves. If the premium for a family coverage plan would be less than the premium for one single coverage plan and one 2-person coverage plan, the employees will take the family coverage plan.

<sup>3</sup> It is understood that the costs of \$850 per month (\$10,200 per year) for single coverage or over \$2,291.66 per month (\$27,500 per year) for two-person or family coverage, referenced herein, are subject to adjustment under the provisions of the Affordable Care Act.

two-person or family coverage plan of the high cost plan adjustment. Any remaining portion of the high cost plan adjustment shall be shared equally (50/50) by the District and the employee.<sup>4</sup>

14.1.4 The Board or the Federation may reopen negotiations on insurance and wages if deemed desirable to do so in order to avoid penalties under the Affordable Care Act.

## **Section 2: Dental Insurance**

14.2.1 For full-time employees, the School District shall pay 100% of the cost of single-person, two-person or family coverage under the same dental insurance plan that is offered to members of the Hudson Federation of Teachers' bargaining unit. Part-time employees may participate in single, two-person or family coverage under the dental insurance plan at their own expense provided the carrier permits it.

## **Section 3: Life Insurance**

14.3.1 All bargaining unit employees working full time shall be provided with \$30,000 worth of term life insurance.

## **Section 4: Section 125 Plan**

14.4.1 Employees hired prior to July 1, 2014, who have completed the ninety (90) day probationary period, and who are otherwise regularly scheduled to work at least twenty-five (25) hours per week and 182 days per year, the Hudson School District shall offer a plan to deduct pre-tax funds for approved medical expenses in accordance with Section 125 of the IRS code. The District shall contribute \$300.00 to the Plan.

Employees hired on or after July 1, 2014 who have completed one year of service, and who are otherwise regularly scheduled to work at least twenty-five (25) hours per week and 182 days per year, the Hudson School District shall offer a plan to deduct pre-tax funds for approved medical expenses in accordance with Section 125 of the IRS code. The District shall contribute \$300.00 to the Plan. This payment shall be payable as of July 1, provided the employee has signed an "intent to return" letter.

Any money remaining unused at the end of the claim submittal period under the plan shall revert back to the District.

The Section 125 plan may be administered by the District or by an outside firm.

---

<sup>4</sup> *Example A:* Assume the annual premium for the selected plan with family coverage is \$28,000. The high cost plan adjustment is \$200 [40% x (\$28,000 - \$27,500)]. For the annual premium of \$28,000, the District will pay \$25,760 (92% x \$28,000), and the employee will pay \$2,440 (\$2,240 [8% x \$28,000] + \$200). *Example B:* Assume the annual premium for the selected plan with family coverage is \$29,000. The high cost plan adjustment is \$600 [40% x (\$29,000 - \$27,500)]. For the annual premium of \$29,000, the District will pay \$26,880 (\$26,680 + \$200), and the employee will pay \$2,720 (\$2,320 + \$200 + \$200).

**Section 5: AFLAC**

- 14.5.1 Bargaining unit employees who work at least eighteen (18) hours per week may elect to pay through payroll deduction the cost of AFLAC insurance offerings (single, two-person or family). Policy coverage shall be at full cost to the employee and no cost to the District.

**ARTICLE 17**  
**SEPARABILITY**

- 17.1 If any provision of this Agreement is held to be contrary to law, all other provisions shall continue in full force and effect.

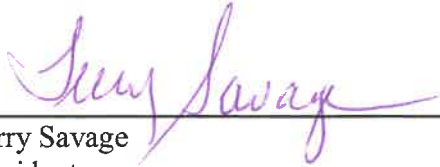

**ARTICLE 18**

Until a successor agreement is approved, the Board agrees to maintain the current wages, benefits and terms and conditions of employment as contained in the agreement recognizing that there will be no step advancement or earning additional years of service for purposes of longevity. The Board would not exercise any option provided by state law that would terminate the status of the local union and the terms of the collective bargaining agreement.
- 18.2 The Board and the Federation agree that negotiations will commence not later than September 15<sup>th</sup> immediately preceding expiration of this agreement in order to give both parties an ample opportunity to negotiate a successor agreement.
