

AFT-NH Town Meeting Guide **For March 8, 2022**

Town election day is **Tuesday, March 8th**. For all of our locals in a “SB 2” district, any negotiated agreements will be voted on during the town elections. AFT-NH local leaders and negotiating teams have spent countless hours preparing tentative agreements to be presented to the voters. All of that hard work comes down to this one day of voting.

Please share this list with friends and allies so they know how they can make a difference and support our AFT-NH locals. We know that every single vote counts. I know those locals remember very well when a contract was defeated by one vote. Yes, it has happened. Twice as a matter of fact.

Another reminder is that folks can *register to vote on election day* with proper identification and proof of residence (could be a utility bill for example).
