

AFT-NH Town Meeting Guide – 2025

AFT-NH local leaders and negotiating teams have spent countless hours preparing tentative agreements to be presented to the voters in March. All of that hard work comes down to one day of voting. Please help AFT-NH members bring these contracts over the finish line.

Please share this list with friends and allies so they know how they can make a difference and support our AFT-NH locals. We know that every single vote counts. In addition to the contracts, we are asking voters in Timberlane and Weare to vote NO on two articles which would have a devastating impact on each school district. When we show up and vote, we win.

4

Voting Location

Weare

Weare Middle School
16 East Road
7:00 AM - 7:00 PM

BUDGET CAP (ARTICLE 6)

Please vote **NO on Article 6**. If passed, Article 6 would set a budget cap on what the School Board could propose for a budget despite legal and contractual obligations which could set into motion unsustainable staffing and programming cuts. It is a dangerous approach with the inadequate amount of state aid to education and the threatened cuts at the national level.

LOCAL

Timberlane Teachers' Association

18 May Ray Avenue
7:00 AM - 7:00 PM

Sandown

Sandown Town Hall
320 Main Street
8:00 AM - 8:00 PM

PROPOSED BUDGET (ARTICLE 2)

Please vote **NO on Article 2**. The proposed budget was cut by almost \$7 million at deliberative session and is opposed unanimously by the School Board and Budget Committee. If this budget passes, there will be teacher, paraeducator, and other district staff positions eliminated. Academic programs and choices will be negatively impacted, and many opportunities for students will be affected. The default budget would still be a decreased budget and result in a lower tax rate.
